FSC Open House

ISD's Family Services Center (FSC) will hold an Open House on Friday, September 25th. The Open House will begin at 7 am and continue until 9 am; then resume at 2 pm and wrap-up at 6 pm. Refreshments will be served. FSC Director Cindy Lawrence has announced that she "would like to encourage all staff, parents of students, and other visitors who are interested to visit the newly established FSC located in Building #1."

Lawrence explained that the FSC staff is already deeply engaged in their work. The new Case Conference Coordinators have already conducted 25 case conferences, resulting in 22 new ISD students. She extended a welcome to those new students and their families. Lawrence stated that she wants the ISD community to "feel free to contact the Family Services Center with any questions or concerns" (317) 924-8416.

Welcome Debra Feltzer

Welcome to ISD's new Student Development Coordinator, Debra Feltzer. A graduate of Gallaudet, Debra left her position as Coordinator of Residence Education at Gallaudet to join ISD's staff. In addition to seven year's teaching experience and an M.A. in Deaf Education, her background includes four years as actress, performer and costume designer with Talkin' Hands Inc. in Washington D.C. Wow!

ISD Welcomes New Staff Members

Sue Marks is ISD's newest Residential Advisor. A 1965 ISD graduate, Sue assumed her duties in Willard Hall on September 9th. She has yet another tie-in with the school - she is Angie Boyd's mother!

Brian Prior recently joined ISD's staff. He is a Stores Clerk, and is working with David Wellborn in the Storeroom.

Janet Strahlendorf has joined the Health Center staff, serving as Charge Nurse on the evening shift. Janet has extensive experience as a surgical nurse, most recently working in the surgical unit at Methodist Hospital in Indianapolis.

Welcome Brian, Janet, and Suel

ASDC Newsletter Available

ISD's Parent-Teacher-Counselor Organization (PTCO) is a member of the American Society for Deaf Children (ASDC). Visitor and Information Center (VIC) Director, Kathy Smith, has announced that, by arrangement with the PTCO, the ASDC quarterly newsletter, *The Endeavor*, will be available at the VIC. Smith said "Please feel free to drop in VIC's temporary home, Room 133 Alumni Hall, and see what is happening at the national level."

First Class Delivery

Middle School Teacher Eileen Pezzutti and her students - **Kris Nader, Ryan Wiggins, Julie Plascak, and Jackie Hiner** - have taken on the weekly responsibility of delivering the CB to the various departments across campus. Kathy Smith, VIC Director, expressed her thanks "to Eileen for getting her students involved, and for coordinating this with Printing Instructor Maynard Steinberger's print shop students. This service is appreciated now, when the sun is shining. It will really be appreciated as the Hoosier weather continues to change throughout the year!"

PTCO ASL Classes Update

PTCO ASL Program Coordinators Rita Frye and Beatrice Pfaff recently announced enrollment figures for the first session of the school year, and for the classes offered over the summer. The summer sessions, the first the PTCO has offered in many years, were a great success with over 120 students participating. Enrollment for the first session this fall is once again approximately 120.

Classes meet for two hours once a week. Each session is five weeks long. Registration for the next round of classes will be October 26th and 27th, 6 - 8 pm.

The CB salutes Beatrice and Rita for their continuing efforts to develop, improve, and expand this important program, which exemplifies community outreach at its best!

Middle School Classes Replace Missing Signs

Campus Bulletin Kudos to Nancy Thomas' and Linda Jones' students. They noticed a problem and fixed it. The boys' restroom on the ground floor of Alumni Hall had somehow lost its sign.

Gerald Gifford and **Kamira Kirkland** made attractive pictures to label the student restrooms. **Tony St. Germain**, **Christy Scott**, **Tiffanie Jenkins**, **Jason Flanigan**, and **Rachel Motley** were responsible for the proper installation of the new signs. Job well done!

Weight Watchers Group May Form

Several ISD staffers have expressed an interest in getting a Weight Watchers program started on campus. To have an "At Work Program", a minimum of 15 persons must be willing to enroll. For more information, contact Mary Alice Moon, extension 414.

ASL As the Language of Instruction

An Education-wide meeting will be held on Thursday, October 15th beginning at 3:15 pm. Laurene Gallimore is scheduled to present "How to Utilize ASL as the Language of Instruction in the Classroom". All Education department meetings are canceled for the 15th and attendance is expected for Education department staff. Interested staff members from other departments are welcome to attend this special presentation.

Gallimore will repeat her presentation on October 28th - 30th at a national conference to be held at Gallaudet University in Washington, D.C. In addition to Gallimore speakers at the conference, "ASL in Schools: Policies and Curriculum," include Dr. Sam Supalla and Steven Nover.

ASL Storytellers Needed

Share the richness of American Sign Language and Deaf Culture!

ASL Storytellers are being sought for "Deaf Awareness Day". Sponsored by the Indianapolis Speech and Hearing Center, the festivities will begin at 10:00 am and continue until 2:00 pm, Wednesday, September 23rd. Storytellers are needed from 12:00 - 1:30 pm. Voice interpreters will be provided by Community Services for the Deaf. For more information contact ISD's VIC Director, Kathy Smith (317) 924-8418.

Middle School Sports Begins

Middle School Sports began Monday, September 14th. Acting Athletic Director Mike Paulone has announced that the program has been expanded this year to include 5th grade Elementary students for both volleyball and football teams. Paulone explained that ISD's most experienced coaches, Dan Fitzpatrick (football) and Jackie McBroom and Tony Cordero (volleyball) will be spending time each week with the Middle School teams to help ensure a positive learning environment. Fifth grade and Middle School girls are also invited to join ISD's Swimming Team. Only one current team member will be returning to ISD next year since all but one are seniors. Varsity swimming is offered only in the fall; Middle School swimming continues into the winter. For information on ISD swimming, contact Coach Nancy Caraboa. For more information or to sign-up for one of these expanding teams, contact Acting AD Mike Paulone (317) 924-8408. It's not too late to join!

Athletes of the Week

Each sport will recognize an Athlete of the Week to honor the accomplishments of ISD's fine competitors. Names and accomplishments will be published weekly in the CB. Athletes are nominated by their coaches based on all-around contributions to their teams, including teamwork, leadership, skill, and outstanding performance. Recipients will receive Winner's Certificates, and their individual photographs will be displayed on the main bulletin board in Caskey Gymnasium. At the end of the week the photos will also be presented to the athletes. Congratulations to ISD's first set of Athletes of the Week!

Swimming: **Jody Collins.** Jody earned three individual 1st place finishes in one week. She set a personal best in the 100m Backstroke with a time of 1:24.99. Keep up the hard work Jody!

Cross-Country: **Danny Moore** always leads the group in practices, and at the Speedway/Tri West competition he was ISD's number one runner by almost two minutes. Danny is a very good runner and has a lot of potential.

Cheerleading: **Melody Hartter**, Varsity
Heather Cronin, Junior Varsity

Cheer Coach Sharon Baker said "It was a hard decision; all our Cheerleaders are outstanding". Baker explained that she chose Melody and Heather for their great attitudes and for the terrific support they extend to other squad members.

Volleyball: **Jennifer Evans** (Junior Varsity) for her enthusiasm and her willingness to improve and perfect her game.

Jenny Cooper (Varsity) for her outstanding teamwork, consistency, and her dedication to improving her skills. Jenny, a freshman, recently transferred to ISD from Maryland School for the Deaf. Their loss is ISD's gain. Come and see this Rising Star in action!

Football: **Deepak Gothi.** Coaches say he works hard at every practice and at every game. His motivation, and his inspiration to other team members earned Deepak this honor.

Attention 5th Grade, Middle School & High School Parents

ISD's Athletics program needs volunteers. Acting Athletic Director Mike Paulone stated bluntly "Parental involvement is, in my mind, the most important single factor in an outstanding athletic program".

Extra copies of the CB are available in ISD's Visitor and Information Center.
